Sub : Regarding LETHARGY OF TDE PANNA towards Basic Amenities.

Res Sir,

I am constrained to inform you that despite repeated requests by staff, officers and Union Representatives, TDE Panna is paying no heed to the complaints regarding paucity of water , potable and usable both. Cleanliness is another major and Important problem being faced by the staff. As you are aware ,whole nation is reeling under heat waves and in such scenario non-availability of a single drop of water and lethargy of TDE is irksome .

Before a few months all the staff and officers were compelled to strike the work for providing basic amenities and on your intervention only the situation was normalized. But there after the situation remains same.

TDE may please be suitably advised to utilize the fund meant for basic amenities and be asked as to where the same has been spent in past.

A very quick action is expected in the matter, Sir.

With kind regards,

Yours Fraternally,

(Prakash Sharma)
Circle Secretary
