The Chief General Manager Telecom
BSNL, M P Circle,
Bhopal.

Sub : Regarding Cleanliness & Basic Amenities in All SSAs of Circle..

Res Sir,

I had visited several SSAs in last 45 days while I was on Election Campaigning. During my visit I was perturbed to note that SSA Heads are least bothered about the so called SWACHHATA ABHIYAN of Our Hon'ble Prime Minister. I have personally faced the badly smelling dirty & flimsy toilets, heaps of garbage lying in the campus, lack of basic amenities, old painted & damaged plaster walls, toilet accessories without outlet pipes, leaking taps, age old water & air coolers and above all acute shortage of water. Officers sitting in the AC Rooms are either unaware of the problems or turning nelson's eye towards the issues. Due to this the aggrieved staff is expressing resentment.

It is felt that the funds to meet the expenditure on the above is either misappropriated or not utilized properly. This is matter of investigation.

Sir, now it is high time when you should intervene to mend the things to provide A Clean Working Environment with most needed Basic Amenities all over M P Circle. Being Govt Undertaking we do not demand for the offices with ambience suitable to corporate culture but basic amenity is right of every worker & to provide the same is responsibility of every employer.

Sir, it is further suggested to invite All SSA Heads in circle office , ask them to take a round of the circle office , let them visit all nook and corner of the building and then they should be questioned as to why they are unable to maintain the cleanliness being maintained in Circle Office.

Sir, We have set the targets of 17000+ crores for this fiscal year. The targets can not be achieved if the employees are disheartened , running pillar to post for a glass of water, exposed to flimsy conditions at work place, forced to work in the offices with damaged furniture & in the environment explained above..

Kindly instruct your subordinates to ponder over the issues mentioned above & do the needful.

Hope, Suitable and concrete action will be taken soon, Sir.

With kind regards,

Yours Fraternally,

(Prakash Sharma)
Circle Secretary
